Beginning in the evening on Thursday, March 16, 2023 through Friday, March 17, 2023, leaders in the New Jersey food processing industry will be in Atlantic City as the New Jersey Food Processors Association hosts its Annual Conference. The exhibit hall offers all participants extensive networking opportunities with industry peers and community leaders.

In 2022, the exhibit hall was energetic. We heard how wonderful and productive the conversations were throughout the day. More than 40 companies are expected to participate, displaying products and services and interacting with top-level executives from organizations from throughout the state. This is a program not to be missed.
