

Dental/Vision/Ancillary Benefits Package

An Enhanced Dental/Vision/Ancillary Package for Groups in the Association

NJFPA has partnered with Delta Dental of New Jersey and Mutual of Omaha to offer an association benefits package that gives member companies (50+ eligible) and their employees access to:

- **Competitive pricing & enhanced benefits**
- **The largest Dental network in New Jersey**
- **Comprehensive Enrollment Support (incl Medical)**
- **Consolidated Billing & Eligibility on a single platform**
- **Employee online enrollment via PPI SelfEnroll**

Best-in-Class Dental Carrier

Dental benefits are administered by Delta Dental of New Jersey, which was founded in 1969. Delta Dental of New Jersey is a NJ-based carrier with local claims processing, customer service and a reputation for offering the best dental product in the market.

Ancillary/Voluntary Products & Enrollment Support Delivered by Experts

Mutual of Omaha offers a suite of ancillary/voluntary products and valuable enrollment support for both **Core and Voluntary** benefits. This solution addresses all traditional lines of benefits including medical *and any non-medical lines with other carriers* and offers:

- Voluntary or employer-paid **Life, Disability, Vision, Critical Illness and Accident coverage**
- Virtual and call center enrollment support for **core and voluntary products** (bi-lingual)
- Network of contract enrollers and a dedicated staff enrollment coordinator
- Customized educational communications

Superior Administration Services

This association benefits program is administered by PPI Benefit Solutions, which has streamlined benefits administration for clients for over 40 years. Administrative services include:

- ◇ **Consolidated monthly billing** for easy invoice reconciliation and reporting
- ◇ **Eligibility management via a single portal** - one place to go to manage adds/terms/changes for multiple coverages
- ◇ **Carrier data feeds**
- ◇ **Employee enrollment portal**
- ◇ **Client services support**
- ◇ **Robust reporting capabilities**

Highlights of the Trust

- The Trust serves the interest of over 1,400 employer groups, with 100,000+ employees
- An employer must be a Trust member to receive PPI's products and services. Members can withdraw from the Trust and PPI's services at any time
- An employer becomes a member of the Trust by way of a simple trust application and by paying the \$10 per month membership fee

A Trusted Partner

Smith Brothers has been an insurance partner with the NJFPA for over 10 years. They have worked with Delta Dental, Mutual of Omaha and PPI Benefit Solutions to offer this program as an added value for members of the association.
